Railways steps up special services amid migrant crisis

FE BUREAU New Delhi, April 21

IN VIEW OF the rapidly growing coronavirus pandemic and migrant crisis, the Railways has stepped up operations of special trains, including mail/express trains, passenger trains and suburban trains, for the convenience of passengers.

At present, the Indian Railways is running 1,512 mail/express and festival specials, on an average per day, up from the 1,490 such services last week.

Gautam Solar doubles manufacturing capacity

FE BUREAU New Delhi, April 21

GAUTAM SOLAR ON Wednesday put on stream additional module manufacturing capacity at its Haridwar facility, taking the total capacity to 250 megawatts (MW), from the existing 120 MW.

The company said the expansion policy "aligns very well with the government's decision to incentivise solar production in the country". The announcement was

made two weeks after the Union Cabinet approved the ₹4,500 crore productionlinked incentive scheme for $solar\,manu facturing\,to\,reduce$ import dependency. "This has been made possible in the wake of the government's decision to make India a solar manufacturing hub and reduce its dependency on other countries for importing solar equipment," Gautam Mohanka, managing director, Gautam Solar, said.

The domestic solar manufacturers are enthused by the market visibility offered through various central government solar schemes with the mandatory domestic content requirement. The existing central public sector undertaking scheme aims to set up 12,000 MW of solar capacity using domestic ingredient by government companies by FY23.

To boost domestic manufacturing, the Centre had imposed a 25% safeguard duty on solar imports from China and Malaysia in July 2018 for two years, which was extended to July 2021, at a rate of 15%. From the beginning of FY23, solar module imports will attract a basic customs duty of 40%.
